## MESSAGE FROM CHIEF & COUNCIL

### **Attention Flying Dust First Nation (FDFN) Membership**

---

Dear FDFN & Community Members,

We would like to inform you that there are several Facebook groups/pages circulating that claim to represent the community but are not official pages of the Flying Dust First Nation Administration. Please be aware when engaging with these groups/pages, as they may not be providing accurate information or reflect our community's values.

For official updates and information, please refer to our FDFN App & website. There is also a Facebook Group called "*Flying Dust First Nation – Event & News Board*" that is monitored by staff that are employed by FDFN.

We encourage respect and the importance of our values as a First Nation family.

Thank you for your attention and support.

Hiy Hiy.
