

REGARDING SPECIFIC CLAIM PER CAPITA DISTRIBUTION:

Flying Dust finance staff has begun processing information for the per capita distribution for those who have submitted their completed forms and information as of today's date April 28, 2025. Chief and council have provided direction to Finance, Administration and Communications to ensure the PCD happens in a timely manner.

They are very busy with the additional work and maintaining their current responsibilities so we ask that membership be patient and follow the communication protocols in place for making requests.

1. Only those who are registered members of Flying Dust First Nation as **of MARCH 8, 2025, the date of ratification**, are eligible for the per capita distribution.
2. Those who have received the PCD for the Agricultural Claim Settlement (Cows and Ploughs) and HAVE NOT changed their banking information will begin receiving the specific claim settlement May 6th 2025.
3. If you have not received the previous PCD, or if you have changed your banking information, you will receive the test deposit of \$1 beginning May 2nd. We ask that you email confirmation of receipt to membership@flyingdust.net
4. For those who have not changed their information and have submitted the completed forms, the payment of \$10,000.00 will be made on May 6th, 2025.
5. The next submission deadline to receive the payment is May 16th, 2025. If you have your information in by then, you will receive your payment may 23rd, 2025.

For any questions or concerns, please email membership@flyingdust.net
